Quote Manager – Quick Start Guide

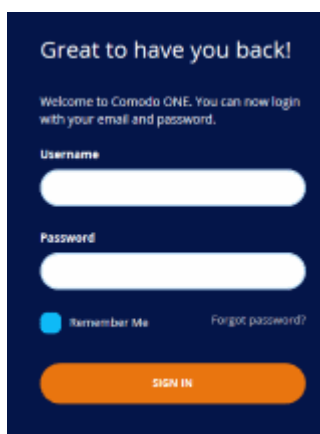

Quote Manager (QM) is an end-to-end quote management solution that lets businesses quickly create, send and follow-up on customer quotes.

This step-by-step tutorial briefly explains how to start using QM

- **Step 1 – Login to Quote Manager Module**
- **Step 2 – Add Contacts**
- **Step 3 – Add Billable Items**
- **Step 4 – Generate and Send a Quote**
- **Step 5 – Answer Feedback and Finalize a Quote**
- **Step 6 – Create a Quote Template**
- **Step 7 – View Reports**

Step 1 – Login to the Quote Manager module

Quote Manager is a module of the Comodo One management platform. To access the module, first login to Comodo One at <https://one.comodo.com/>

- Click 'Forgot Password' to reset your password

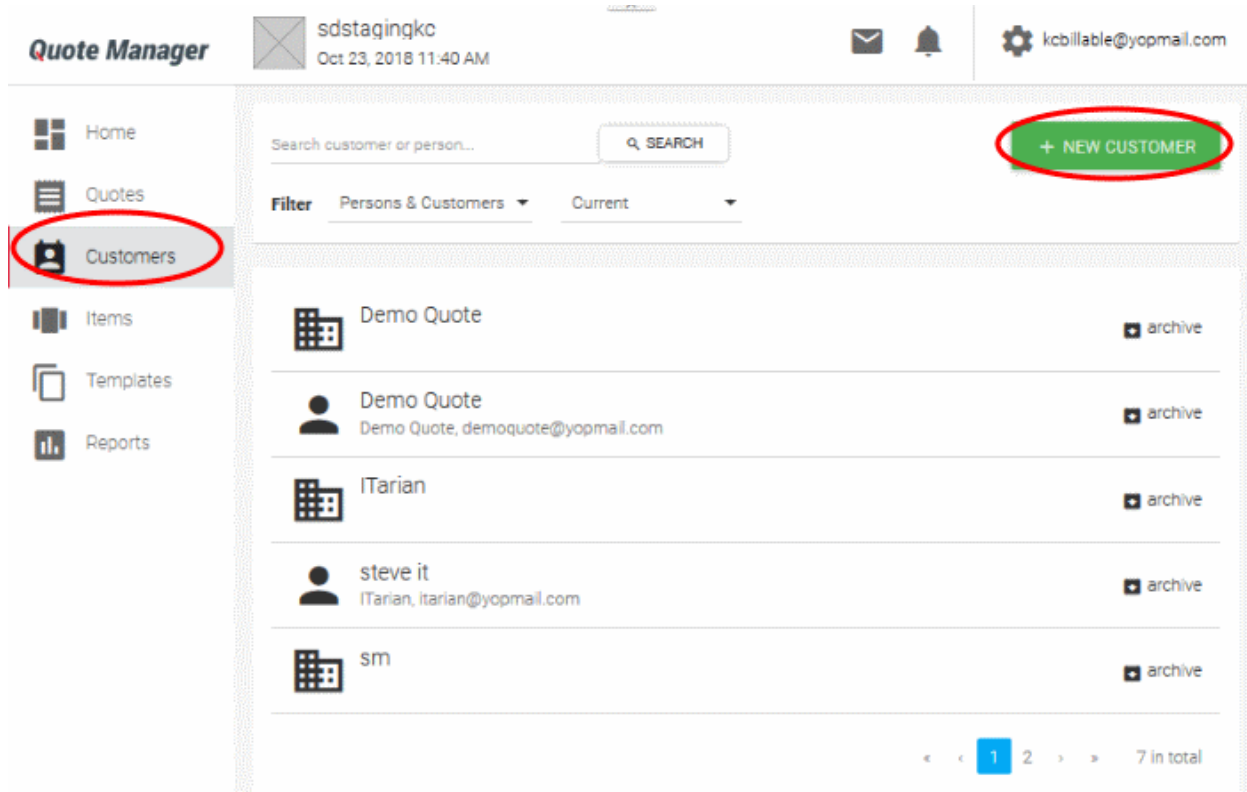

Comodo One will open at the dashboard.

- Click 'Applications' > 'Quote Manager' to open the application.
- Click 'Store' if you haven't yet activated Quote Manager. You can install it from the Quote Manager tile.

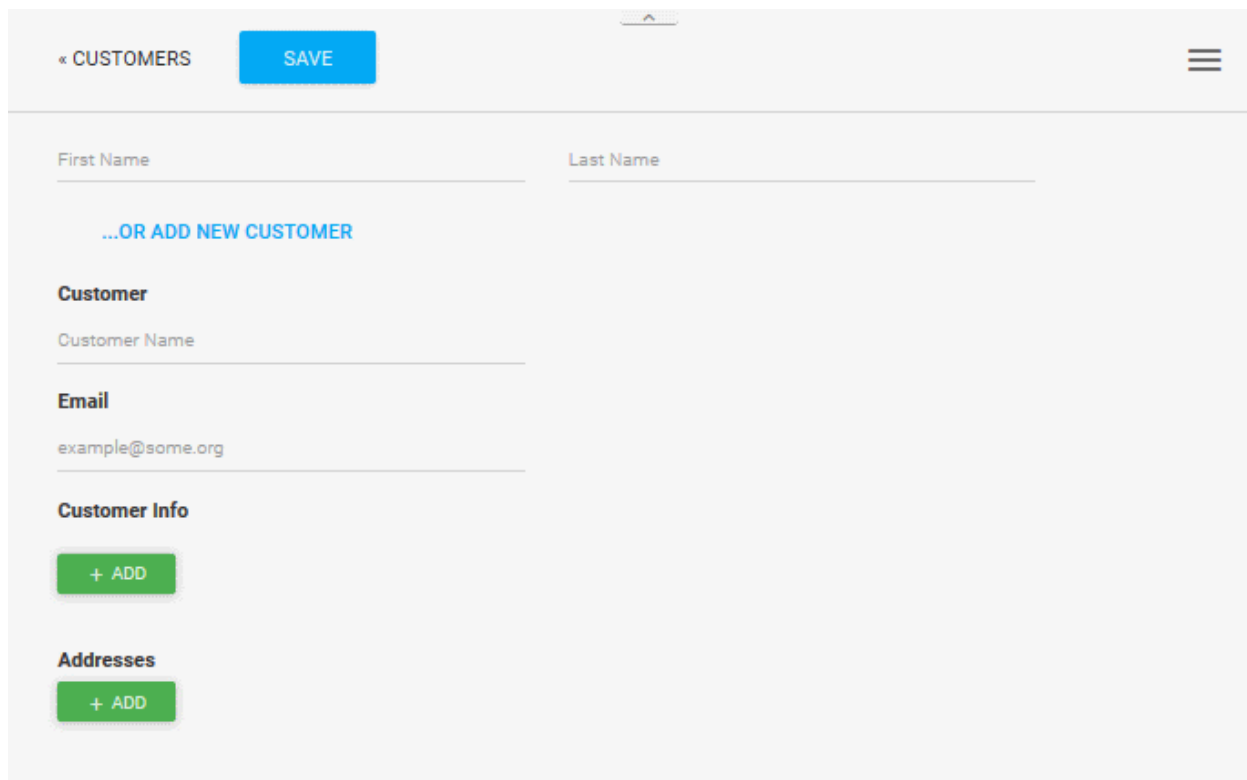

Step 2 – Add Contacts

The next step is to add contacts/companies to whom you want to send quotes.

The screen to add a new contact or company will open:

You can create customers as a 'New Person' or a 'New Company' depending on your requirements. To switch between the two types, click the '...OR ADD NEW COMPANY/PERSON' link.

Step 3 – Add billable 'Items'

In QM, the goods and services for which you want to generate quotes are called 'Items'. In order to send quotes, you first have to add at least one 'Item' to QM. Once created, items can be used in multiple quotes.

- Click 'Items' on the left then click the '+ New Item' button

The screenshot shows the Quote Manager interface. At the top, there's a user profile for 'sdstagingkc' with a checkmark icon and the date 'Nov 01, 2018 9:44 AM'. There are also notification icons for email and a bell with a '1' badge, and a settings gear icon for 'kcbillable@yopmail.com'.

The left sidebar contains navigation options: Home, Quotes, Customers, **Items** (highlighted), Templates, and Reports.

The main content area has a search bar with the text 'Search item by name, code or description...' and a 'SEARCH' button. To the right of the search bar are three buttons: '+ NEW ITEM' (green), 'IMPORT' (blue), and 'EXPORT' (blue).

Below the search bar is a 'Filter' dropdown menu set to 'Current'. The main area displays a list of items:
