

Comodo Certificate Manager Version 5.7

Code Signing End User Guide

Guide Version 5.7.032817

Comodo CA Limited 3rd Floor, 26 Office Village, Exchange Quay, Trafford Road, Salford, Greater Manchester M5 3EQ, United Kingdom.

Step 1: Validate Your Application

Your Code Signing Certificate administrator should have sent you a certificate provisioning email. The invitation mail contains a link for validation your email address, a request validation code and instructions for downloading and collecting the certificate.

A link to the certificate enrollment pages will be similar to:

https://cert-manager.com/customer/<company_name>/cs

Email (<i>required</i>)	Text Field	Your email address. This field will be auto-populated.		
Private Key Options				
Key Size	Drop Down	You can select the key size for the private key of the certificate (Default = 2048 bit)		

Comodo Certificate Manager - Code Signing End User Guide

COMODO

Form Element	Туре	Description
		Note: The private key is generated locally by the crypto module of the browser/ operating system. The key never leaves the computer and no copy is ever transmitted to the certificate issuer. Comodo does not collect a copy of the private key at any time and cannot be recovered if it is lost. The certificate is useless without it. Hence you are strongly advised to backup your private key, during certificate installation process.
Subscriber Agreement (<i>required</i>)	Checkbox	You must accept the terms and conditions before submitting the form.
Generate	Control	Starts the certificate generation process.

 Fill-in the form, accept to the subscriber agreement by reading it and selecting the checkbox 'I Agree' and click the 'Generate' button.

The certificate request will be automatically generated and a request will be sent to Comodo Certificate Manager.

o e Manager
Your application was accepted, you will be notified by email when your certificate is ready for collection

Once the registration process is completed, you will be sent a certificate collection email.

• Click the link in the certificate collection email.
